Please indicate which service(s) you are referring for:

- Psychologist only
 Both Psychologist and Dietitian

Important: A psychologist must be involved in the client's care to access our Dietitian services.

GP Resource — Unsure About Medical Status or Eating Disorder Screening?

The **Statewide Eating Disorders Service (SEDS)** provides free consultation and support to GPs and health professionals in South Australia who are uncertain about a patient's medical stability, risk level, or whether an eating disorder may be present. SEDS can advise on screening tools (e.g. SCOFF, EDE-Q), medical monitoring parameters, and appropriate referral pathways. Contact SEDS at: www.sahealth.sa.gov.au/wps/wcm/connect/public/content/sa+health+internet/services/mental+health+and+drug+and+alcohol+services/mental+health+services/statewide+specialist+services/eating+disorder+service/statewide+eating+disorder+service/statewide+eating+disorder+service

4. Presenting eating disorders symptoms

Currently an inpatient? Yes No If yes, where:

Suitable for outpatient treatment (medically stable)? Yes No Unknown

Alcohol Abuse / Dependence	<input type="checkbox"/> Yes <input type="checkbox"/> No	Receiving treatment: <input type="checkbox"/> Yes <input type="checkbox"/> No Details:
Drug Abuse / Dependence	<input type="checkbox"/> Yes <input type="checkbox"/> No	Receiving treatment: <input type="checkbox"/> Yes <input type="checkbox"/> No Details:
Other (please specify):	<input type="checkbox"/> Yes <input type="checkbox"/> No	Receiving treatment: <input type="checkbox"/> Yes <input type="checkbox"/> No Details:

Psychiatric History & Current Engagement (other conditions, apart from the eating disorder):

Question	Response / Details
Previous psychiatric history (hospitalisations, diagnoses, episodes)?	<input type="checkbox"/> Yes <input type="checkbox"/> No Details:
Currently actively engaged with another psychology service?	<input type="checkbox"/> Yes <input type="checkbox"/> No Provider / Service name:
Currently under the care of a psychiatrist?	<input type="checkbox"/> Yes <input type="checkbox"/> No Psychiatrist name:
Current psychiatric medications (name, dose, prescriber):	<input type="checkbox"/> None Details:

7. SELF-HARM & RISK

In the last 3 months:

Suicide attempt: Yes No **Non-suicidal self-harm:** Yes No

Details / method / frequency: _____

Please note: If the patient has made a suicide attempt within the last 3 months, we recommend seeking an alternative treatment setting and re-referring following a period of at least 3 months with no suicide attempt and a reduced level of risk.

Prior to the last 3 months:

History of suicide attempt? Yes No **History of non-suicidal self-harm?** Yes No

If yes, when / details: _____

Referrer's current assessment of self-harm / suicide risk level:

<input type="checkbox"/> Low	<input type="checkbox"/> Moderate	<input type="checkbox"/> High	<input type="checkbox"/> Unknown / Difficult to assess
------------------------------	-----------------------------------	-------------------------------	--

8. PAEDIATRICIAN INVOLVEMENT

Advanced Psychology Services recommends that a paediatrician is involved in the care of any client engaging in Family Based Therapy (FBT) whilst receiving treatment through our service. If your client is undertaking or expected to undertake FBT, please ensure a paediatrician referral is made prior to or concurrent with this referral.

Is a paediatrician currently involved? Yes No Referral in progress

Current paediatrician (if known): _____

9. ADDITIONAL INFORMATION — CHILD / ADOLESCENT (UNDER 18)

Do parents/guardians live together? Yes No Shared custody arrangement

Is there a court order in place (e.g., parenting order, family law order)? Yes No Unknown If yes, please attach a copy or provide details:

Carer / family involvement in treatment: Fully supportive Partially involved Not involved Unknown

Cultural considerations relevant to treatment (e.g., language, cultural beliefs, family structure):

10. ATTACHMENTS

Please tick all documents attached to this referral:

<input type="checkbox"/> Eating Disorder Treatment Plan	<input type="checkbox"/> SEDS report / assessment
<input type="checkbox"/> Psychiatrist reports	<input type="checkbox"/> Discharge summary
<input type="checkbox"/> Paediatrician reports	<input type="checkbox"/> Dietitian reports
<input type="checkbox"/> Mental Health Care Plan	<input type="checkbox"/> Other

Any further information you wish to provide:

Ongoing medical / psychiatric care will be provided by myself (referring practitioner)

Other (please name): _____

I understand that for referrals with significant comorbidity or self-harm / risk issues, ongoing psychiatric care will need to be maintained elsewhere so that our clinic can focus primarily on the treatment of the eating disorder.

IMPORTANT NOTICE — FEE FOR SERVICE

Advanced Psychology Services is a private clinic. All appointments are fee for service. Sessions are not bulk billed and are not provided free of charge.

Fees are payable at the time of each appointment. Please discuss fees with our administration team prior to the first appointment.

Concession Rate: A reduced concession rate is available for holders of a current Government Health Care Card (e.g. Centrelink Health Care Card, Pensioner Concession Card, or Commonwealth Seniors Health Card). Clients wishing to access the concession rate must present a valid card at or before their first appointment.

Please note: Medicare rebates may be available for eligible clients holding a valid Mental Health Care Plan or Eating Disorder Treatment Plan issued by their GP. Please speak with our administration team for further information.

Please return this referral form via: Email: info@advancedpsychology.com.au | Fax: (08) 8227 0937
